

MEDIA ADVISORY – CALENDAR LISTING

REGION C WATER PLANNING GROUP TO HOLD PUBLIC MEETING TUESDAY, MARCH 15 AT TRINITY RIVER AUTHORITY

What: The Region C Water Planning Group (RCWPG) will hold a public meeting as part of the regional water planning process for Region C. Among other agenda items, the RCWPG *will take action* on:

- an adjustment to how supplies currently available to wholesale water providers and water user groups are allocated;
- the addition of Lake Fastrill to the list of potentially feasible water management strategies under consideration for the 2006 Regional Water Plan, at the request of Dallas Water Utilities;
- the addition of new wholesale water providers in Region C;
- and the cover letter and survey form associated with the infrastructure financing survey.

At the meeting, the planning group will *discuss*:

- model water conservation plans;
- draft recommendations for water conservation and drought management (Chapter 6);
- potentially feasible water management strategies for regional supplies, county-by-county suggested strategies, and suggested strategies for some wholesale water providers;
- report from the Unique Stream Segments Committee;
- and report from the Policy Topics Committee.

Members of the public are welcome to attend the meeting and participate in a public comment session during the meeting.

When: Tuesday, March 15, 2005
1:00 p.m.

Where: Trinity River Authority
Central Wastewater Treatment Plant
6500 W. Singleton Blvd.
Grand Prairie, TX 75212
