Subject: Reappointment Letter

10-24-11

Please convey my desire to not be reappointed to the Region C Planning Group.

It has been a privilege and a pleasure to serve with chairman Jim Parks and the group. At age 84 it is time to retire.

I wish to reccomend James Hotopp, my designated alternate, whose brief bio is as follows.

James Hotopp is Director of Water Utilities and City Engineer for the City of Weatherford.

He has also served as the Utility Engineer and Interim Director of Planning and Development

James holds a Bachelor of Science Degree in Civil Engineering from the University of Texas at Arlington and is a Licensed Professional Engineer in the State of Texas.

Prior to joining the City of Weatherford in 2007, James worked in consulting engineering.

Sincerely,
Paul Phillips

STEVEN A. MUNDT, Sr.

Steve Mundt heads The Land Group, Inc., a full services land brokerage company with primary operations in North Texas; and Investment Land Capital, Inc. which acquires and manages land for appreciation for its partners. With over thirty years of experience in commercial real estate brokerage, Steve has handled virtually every type of land and commercial property. Specifically, he has completed transactions for developers, homebuilders, speculative investors, financial institutions, Fortune 500 companies, pension funds, hedge funds, the U.S. bankruptcy court, The Federal Deposit Insurance Corporation, oil and gas companies, school districts and Real Estate Investment Trusts.

His strengths include the ability to clearly understand the desires of his clients and the experience to advise and negotiate complex transactions. Other areas of expertise as it relates to land include the entitlement process, politics, utility districts, special taxing districts, oil, gas and surface development, infrastructure, agriculture, taxes, eminent domain and the specific economics of investing and developing.

Steve is a member of the Urban Land Institute where he has participated in Vision North Texas and has served on the membership committee and currently serves on the programs committee. He is the past Vice Chairman of the Board Of Directors of the Northwest Metroport Chamber of Commerce where he chaired committees for economic development and governmental affairs. Steve is a member of Metroport Cities Partnership which is active in regional transportation issues including the 35W Coalition and the North Texas Commission. He is also a member of the Greater Fort Worth Area Economic Development Association and serves as Secretary on the Board of Directors of the Oak Point Water Control Improvement District.

For further information Steve can be reached at 817.430.0080 or smundt@landgroupinc.com.
